

Online Parent-Implemented Programme

Aligned with the philosophy that parents are their child's best teachers, our Parent-Implemented Programme is specifically developed to coach parents to be their child's own interventionist.

This programme covers 9 Online Modules about special needs education and teaching strategies.

Key Areas of Focus:

Analysis on child's developmental milestones

Goal-setting & intervention planning

Interactive coaching & guided intervention

Weekly feedback on parent-child intervention videos

Evaluation on mastery of goals

Professionals involved

Clinical/Child Psychologist, Speech Therapist, Occupational Therapist and Physiotherapist

Programme duration

4 months

Parents must commit to consistently work with their child for at least 30 minutes a day for a minimum of 4 months.

Fees

RM 3000

For more information on the parent-implemented programme, please contact Siti Hawa at 018-966 4158 or email info@hatchingcenter.org
